MORE MAD E.S.P.???

More MAD ESP! Back in 1978 (MAD
#198) MAD ran an article about what would
happen when UPC symbols took over com-
pletely. One gag was about a UPC featured on
the cover of a record album. Well, the progres-
sive rock band YES produced their most re-
cent album under the name of "90125" be-
cause that's their UPC code. This was the first
time I ever saw a UPC code printed directly
onto an album jacket.

MAD #245

I was very disappointed in the cover of your
March issue (MAD #245). I live on a busy
highway that has no rest stops. It is all too
common to have people peeing in our front
yard. There is nothing humorous about any-
one of any age peeing anywhere except in a
restroom facility. Perhaps you'll send me your
home address and I can forward the offensive
people we find in our front yard to you!

M.J. Wright
Kyburg, CA

I couldn't believe my ice! I'll bet urine big
trouble after the controversial cover of MAD
#245, and that snow joke. From now on, you
better watch your Pees and Q's before some-
one gets pissed off.

TV SHOW GOES MAD

Mad Artist/Writer Sergio Aragones was
recently featured in a segment of the
show "Real People." Above, Sergio is in-
troduced to the studio audience by
"Real People" Hostess Sarah Purcell.

WELCOMING IN 1984

Depicting the President of the United States, or any other public figure, as a fool is good, healthy, irreverent fun. Depicting someone urinating on the ground is none of those things. Crass isn't irreverence!

Richard Staum
Brooklyn, NY

Your cover of MAD #245 was just another case of "yellow journalism"!

Allen Arata
Hawthorne, CA

If I was going to rate the cover of MAD #245 on a scale of 1 to 10, I would definitely say that "you're-an-eight"!

Jim Lang
Columbus, OH

Looking at cover #245, I was "relieved" to know that the usual gang of idiots are continuing their superb brand of humor right into '84!

Jack Tutela
Scituate, MA

God only knows how Alfred would have dotted the "i" in Christmas had he extended Christmas salutations last issue!

Jeffrey Lowndes
Scranton, PA

Why didn't anyone claim ownership to the artwork on the cover of MAD #245, which had Alfred demonstrating his artistic talents? And how come I didn't see any yellow paint or paintbrushes?

Michael H. Tavares
E. Taunton, MA

Alfred E. Neuman's "1984" was number one in my book!

I'm **Chuck Yagear!** I've been **higher—and faster—** than any man in the world! So much for my **"drinking"** and **"sex"** habits! I'm also the **best test pilot** in the world! Which is why they didn't choose me for the **Space Program!** There's no room for excellence in any Government Project!

I'm **Scott Carpentry!** People ask why we're spending **billions** to explore space when there are so many **poor people on Earth** to support! We have to explore space to find out if there are any poor people out there to support!

I'm **Alan Schlepper!** When I signed up to become an **Astronaut**, I had no idea of the kinds of demands that would be made on my **body!** But I finally solved the problem by limiting it to only **TWO or THREE GROUPIES** a night!

I'm **Gus Gruesome!** I don't know if the other guys hold it against me for letting my space capsule **sink**, but when I'm not around, they refer to me as the **"Jacques Cousteau of Outer Space!"**

I'm **Wally Hurrah!** If I'd known they were going to make the story of the **Mercenary Astronauts** into a major motion picture, I would've said a helluva lot more than I did during the Space Program!

THE VERY FIRST JET PILOTS BELIEVED THAT A DEMON LIVED IN THE SKY, AND THAT WHEN YOU CAME FACE TO FACE WITH IT, YOUR CONTROLS WOULD FREEZE UP, YOUR INSTRUMENTS WOULD SHATTER AND YOU WOULD POOP IN YOUR PANTS. THEY BELIEVED THAT THIS CREATURE LIVED BEHIND A BRICK WALL CALLED THE "SOUND BARRIER." BUT SOME WERE BRAVE ENOUGH TO GO LOOKING FOR THE DEMON. THESE MEN WERE GIVEN SPECIAL EQUIPMENT CALLED "TEST PLANES" AND SPECIAL INSTRUMENTS CALLED "TEST GAUGES." AND THESE MEN WERE CALLED SPECIAL NAMES—LIKE "IDIOT" AND "SCHMUCK!"

I hear you guys say that the **sound barrier** can be broken!

I say it can be broken for **\$150,000!**

I say it can be broken—and I'll do it for **free!**

Okay, Yagear, you're **ON!** Although I'm breaking one of the **cardinal rules** of our Government: **Never** have anything done for free when you could pay **\$150,000** for it!

Hey, Yagear! Where are you going???

I'm off to break the **sound barrier!**

I meant in an **airplane!** Not on a horse!

THESE ARE THE MEN

THAT THE GOVERNMENT PICKED
WHEN THEY WENT LOOKING FOR...

THE RIGHT STIFF

ARTIST: MORT DRUCKER

WRITER: DICK DE BARTOLO

I had a little
accident yesterday! My
horse threw me and
I broke a few ribs!
I don't want those
guys from Washington
to think there's any-
thing wrong with me!

Are you kidding?!
Just the fact that
you're actually GO-
ING THROUGH with
this crazy thing
makes them KNOW
there's something
wrong with you!

That's the plane
we've designed
to break the
sound barrier!
Any questions?

Just one! How
do you fly it?!

Good thinking!
The Instruction
Manual's in the
glove compart-
ment! Look it
over when you're
about to hit
600 mph or so!!

Hey,
Yaygear!
What's
it like?
How are
you
feeling?

My head's throbbing, my
blood pressure's going
through the roof and my
vision is all blurred!!

Man, that Pauncho can
mix a mean Marguerita!!

AND SO, AMERICA LAUNCHED A CAMPAIGN TO FIND A GROUP OF MEN TO SEND INTO SPACE. THEY SEARCHED EVERY PLACE THAT OFFICERS QUALIFIED TO FLY COULD BE EXPECTED TO BE FOUND:

... ON TV GAME SHOWS ...

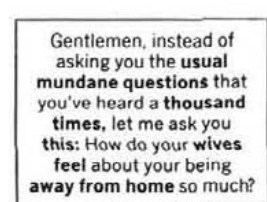

... IN SLEAZY BARROOMS ...

... AND IN THE MOST UNLIKELY PLACES OF ALL, ON AIR BASES AND ABOARD AIRCRAFT CARRIERS, WHERE THEY DO FLYING STUFF.

Gentlemen, sign these contracts with "Like Magazine," and each of you will earn \$25,000 a year!

Gee... I don't know about this! I'm not a very good writer, and my life isn't that interesting!

Don't worry! I've got 300 writers on my staff! When they get finished, your life will seem so exciting, you'll wish you'd really lived it!

That's the sixth failure! We'll never catch up with the Russians!

Look at the bright side. Kookiel! We're at least two years ahead of them in the Scrap Metal Race!

Since you can't seem to get your ROCKETS up, fellahs, maybe WE can help you raise SOMETHING!??

Hey, guys... I think we're about to break the "Sex Barrier"...!!

I will not stand by while you men run around with loose women....!

Who are YOU supposed to be... our Spiritual Advisor?!!

No, I'm just expressing my feelings! But I will be hearing Confession tomorrow, right after Mass...

Boy, those tests to see if MONKEYS can do our work are absolutely humiliating!

They're not half as bad as these tests to see if WE can do the monkeys' work! I still have seven bunches of bananas to eat, and I have to swing from a tree for three hours!

Looks great... but where's the window?!

And we gotta have an explosive hatch...or I won't be able to screw up by blowing the hatch prematurely!

Sorry! We don't make alterations!

You don't make alterations?!? Is this NASA, or a Department Store? We'll let the Press decide...!!

How did the Press get in here?!? This is a Top Secret Security Area...!!

Well, they're not really in here! They're ten feet away being restrained by a piece of string...!

Then our security is still intact! No alterations!!

Really? I guess I'll just pass out dimes for phone calls...!

Okay! You win!! You'll get your window—and your hatch!!

This is **Eric Neveride!** America has put a **monkey** into space... and the Russians have made **monkeys** out of us by putting a **man** into space! But today, **Alan Schlepper**, America's first man in space, is **poised**, ready to be **launched into history!** And we can hear his fellow **Astronauts** cheering him on...

Go, Alan! Go!!

I JUST DID! Now, my space suit needs to be dry cleaned!

Does he mean what I **THINK** he means?!

Yes, but don't worry! We broke the "Bad Taste" barrier already!

Meanwhile, at this **very moment**, reporters are swarming all over the **Schlepper household**, trying to get vital information from **Louise Schlepper** about her **Husband...**

What brand of **COFFEE** does he drink...?

What brand of **TOOTHPASTE** does he use?

What brand of **DISPOSABLE DIAPER** does he wear when he goes into space...??

Here we are, **many months and one panel later**, at the **El Divo Hotel!** It's an entirely different scene this time, because **Gus Gruesome** blew that hatch and his space capsule **sunk...** along with any chance of his wife meeting **Jackie Kennedy...**

Look, Sweetie! They filled the refrigerator with **beer** for us!

Beer?! Not even **Champagne!**!! They owe you, Gus! They owe you a lot for what you did!!

Actually, Dear, it's the other way around! As an **Astronaut**, I'm responsible for the safe return of my capsule! So I owe **THEM!** **BOY...** do I owe them....!!

Grin, the Russians have a **man in space** orbiting the **Earth!** If we don't put a man in orbit **now**, the **Space Race** is over and we've **lost!**

I should tell you that the **rocket** we plan to use hasn't been **tested**, and we're not sure the capsule will stand up during **re-entry!** But we know we can count on you, **John Grin...**

Oh... you want **JOHN Grin...**! This is **DON Grin!** Sorry... you have the **wrong number!**

I'm your man!!

Well, we finally got you launched into **space**, **John Grin...** and everything is **perfect!** You're free to go a full **seven...**

BEEP! BEEP! BEEP!

Yep... like I said, you're free to go a full **FIVE** orbits!!

What happened to **SEVEN** orbits...?!

What's the difference?! Once you orbit the **Earth**, you've seen it all!!

Do you mind telling me what's going on?

His **heat shield** may have come loose... but we're not sure!

How will you be sure??

If the **rocket** comes down, and you can fit what's left of it into a **shoe box**, the **heat shield** came loose!!

Uh... John...
we're going to
have to bring
your capsule
down after the
third orbit!

THIRD orbit?! We've
gone from seven to
five and now to three!
Man, that burns me up!
Bite your tongue!!

You're now on manual!
Just make sure the
heat shield is facing
DOWN! And John, do
you still have those
sandwiches I made??

Yeah... I got 'em!!

Well...
get rid
of them
and wrap
yourself
up in the
aluminum
foil...!

I read you!
HOO-BOY,
do I read
you! Isn't
there **ANY-
BODY** down
there who
can help
me...??

Hey, John, this
is Kookle! I'm
monitoring you
from Australia!
Cheer up! I've
got 3 Witch Doc-
tors performing
mystical rites!

Well, that
sure sounds
better than
our scien-
tific clowns
down there
performing
statistical
wrongs!!

Hey! Yaygear
just climbed
into that new
\$800 million
jet, and he's
taking it up!

Give me
that phone!

Are you
calling the
General??

No, you idiot! The
Insurance Company!
You **KNOW** that
Yaygear never
brings anything
back in one piece!

Oh, boy! Yaygear not
only holds the record
for the world's **HIGH-
EST ALTITUDE FLIGHT**,
he now holds the rec-
ord for the world's
DEEPEST LANDING!!

What happened...?

I forgot to ask
for that piece
of gum I always
ask for before
I test a plane!

You
use the
gum to
calm
your
nerves?

No... to
keep these
planes
together
when I
hit the
boosters!!

Ladies and Gentlemen
...we are here to
honor the seven **Mer-
cenary Astronauts** who
have brought so much
glory to our nation!

And what better way to
thank them before God
and the world than to
have a **STRIP TEASE**
ARTIST come out and
do a **hokey fan dance!**

So...
say
hello
to Miss
Sperry
Rand!!

...and I
want to
thank you
all for
your help
and your
prayers!

The **Space**
Program has
had a great
effect on
us all! But
for me, it's
not over!!

It has launched me
on a **POLITICAL**
career that, hope-
fully, years from
now, will enable
me to splash down
in the White House!

He's got as
much chance of
THAT as the
MOVIE ACTOR
who starred
with **BONZO**
THE CHIMP!!

OFFERS YOU CAN'T REFUSE DEPT.

Rather than face the unruly crowds, uncaring sales persons and unbelievably slow-moving lines in department and discount stores today, many people are doing their shopping via mail from their own homes. Mail order shopping is especially helpful to those people who don't want to show themselves in public for other reasons... like members of "The Mob." Recently, we came across a mail order catalogue filled with items aimed directly at all these underworld consumers. So here we go with:

A number of issues back (#174 to be exact), we pointed out that many of the words we use come from the names of real people. For instance, "diesel" comes from Rudolph Diesel, its inventor, and "derby" comes from the Earl of Derby, its wearer, etc. We then suggested that it would only be a matter of time before the names of current celebrities would become part of our language, and we presented a list of them to be added to the dictionary. Well, it's time to update that list as MAD now offers:

Every year, Academy Awards are presented to the best actors and actresses in the Motion Picture Industry. But what about all the other industries where "acting" is important? Like for instance those real-life performances that take place every day in our schools! We think it's about time that the actors and actresses in our Educational System were given the recognition that is due them! Here we go with:

ACADEMY AWARDS FOR TEACHERS

ARTIST: GEORGE WOODBRIDGE

WRITER: LOU SILVERSTONE

Welcome... to the fabulously plush "Teachers' Lounge" of the scandalously constructed Alfred E. Neuman High School... where all of the greats and near-greats of Education are gathered to witness the "First Annual MAD Academy Awards For Teaching"!

Incidentally, the "Teachers' Lounge" is the favorite room of the faculty members of any typical High School! Here is where they can relax, light up a cigarette, puff a joint, down a drink or whatever! In other words, it's the only place in the school where the Teachers can enjoy the same privileges as the students!

Tonight, the winners in each category will receive this coveted gold statue, the "Edward," named after the Mayor of The Big Apple, who, in solving a recent financial crisis, put the Teaching Profession in its proper perspective! Mr. Koch, in his infinite wisdom, decided against laying off Sanitation Workers... and instead, fired 1800 Teachers!!

Oh-oh! The house lights have dimmed, so let's get it on...!

The first category is for Best Performance in "CLASSROOM DISCIPLINE"! And the first nominee is Alvin Spritz for his stirring, "I'm An Adult! I Should Be Able To Cope With A Bunch Of Kids!"

The second nominee is Ms. Marlene Mildew for her fine rendition of, "I'll Send You To The Principal!"

How do you DO it, Spritz?!? What's your secret? Why, your kids are actually quiet! and they're WORKING!!

I'm a grown man with two degrees! So I certainly should be able to handle a bunch of KIDS! I used PSYCHOLOGY on them! I picked out the biggest, the meanest kid in the class, Rocco Barbello...

Don't tell me you beat him up?!?

Me?! Beat him up?! No way!! I paid him to keep the others in line! Anybody gives me trouble, they've got to deal with Rocco after school!

I've solved the discipline problem in my classes! If any of my students get out of line or give me a hard time, I threaten to send 'em down to the Principal!

You mean to tell me that actually SCARES the kids?

No but it terrorizes the Principal!

He doesn't want any of those monsters hanging out in his office, so he doesn't put any unruly kids in my classes!

And the winner is Mr. Matthew Frankfurter for his heart-rending interpretation of "It's A Jungle In There!"...

I'm sorry, Sir! I refuse to teach in that animal house!! If—if I go back in there, I swear I'm gonna be **KILLED!!**

They're only children, Frankfurter! Didn't they teach you how to handle a few wild kids?!

I'm afraid not! At the college I went to, they didn't offer us courses in Kung Fu and Karate!!

Congratulations, Mr. Frankfurter! Here's your "Edward"! I guess it's pretty rough dealing with High School kids these days!

What High School kids?! I teach **SECOND GRADE!**

The next category is for Best Performance in a "TEACHERS' STRIKE"! And the first nominee is Ms. Zelda Hornhonker for her magnificent portrayal of "Striking Is The American Way!"

The second nominee is Mr. Kenneth Klutz for his touching and convincing performance in "The Public Is Behind Us 100%!"

You **KNOW** that it's against the law for Teachers to strike! And besides, you're setting a bad example for your students!

Nonsense!! We're actually showing them how Americans have **ALWAYS** dealt with unfair and unjust working conditions... by resorting to their Constitutional right of peaceful protest!

Right on, Ms. Hornhonker! And when you're back at work, **WE'RE** gonna follow your example... and go out on strike against homework!

Listen... the public is behind this strike **100%!**

Let's see! How do you feel about strikes by employees of an essential industry?

It's the worst thing that can happen!

In your opinion, then, the Teachers should not be on strike?!

Teachers?!? Are they bums striking? I thought you were talking about Pro Football Players!!

And the winner is Mrs. Mildred Schmerz for her, "We're Not In This For Any Personal Gain! We're Doing It For The Children!"

We're not doing this for **OURSELVES!** We're doing it because adequately-paid Teachers will mean that your children will get a decent education!

Hah! You people are **ALREADY** overpaid! Hell, you only work a six hour day!!

ONLY six hours?! Listen, Mister... when was the last time **YOU** spent a six hour day with **YOUR** rotten kid?!

Congratulations, Mrs. Schmerz, not only for winning this "Edward", but for winning a pay increase with your controversial strike!

Big deal! They gave us a few dollars more... and then they increased the sizes of our classes from 25 to 35! The raise won't even keep us in the extra aspirin we'll need!

The next category is "THE REWARDS OF A TEACHING CAREER," and the first nominee is Mr. Sidney Gromitz for his splendid performance of "One Of The Great Thrills Of A Teaching Career Is Seeing Your Students Graduate And Go Out And Take Their Place In The World!"

I always get choked up at Graduation!

Just think! These young people we've taught are going out into the real world! I especially like this year!

What's so special about THIS year?

Since Reagan was elected, things are tough out there! Now these clowns can't step right into high-paying jobs ...and then laugh at all us slobs barely making a living on our Teachers' salaries!!

The second nominee is Mr. Rodney Alan Dinklehoffer for his excellent portrayal of "Teachers Don't Get No Respect!"

No wonder the kids don't pay attention to me! The JANITOR gets more money than I do! Even the guy who delivers the MILK makes more than me!!

Then why don't YOU get a job as a janitor or a milkman?!

WHAT?!? And just THROW AWAY my six years of college?!

And the winner is Mr. Victor Brioche for his memorable performance in "I Didn't Go Into Teaching For Monetary Gain!"

I KNEW I would never get rich being a Teacher! But there are more important things in life than money!

I like getting off work at 3 P.M., having all holidays off, and not having to work all summer! It's a great profession for lazy slobs!

Unfortunately, Mr. Brioche couldn't be with us! But here to accept his award is one of his students!

Mr. Brioche couldn't be with us because today is Friday—and he always takes his sick leave on Fridays! That way, he can have a long week-end!

The next category is for Best Performance in "EXTRA DUTY ASSIGNMENTS," and the first nominee is Mr. Carl Cravitz for his touching interpretation of "We Must Obey The Rules!"

You boys are supposed to be in Class...not wandering around the halls! And since I'm on Hall Duty, I'm going to have to send a note home to your parents, Dimwitty! Sorry, but that's one of the Principal's rules, not mine!

Hey, that's not fair! Aren't you gonna send a note home to GRUBER's parents?!

There's another rule that goes... "Never send a note home if the student is BIGGER than the Teacher!" Sorry, but that's not one of the Principal's rules...it's MINE!!

The second nominee is Mr. Francis Fungold for his inspiring "The Power Of Prayer!"

Pardon me, Fungold!! I didn't know you were into RELIGION!

Actually, I'm not! I just found out that I've been assigned as the Cafeteria Monitor all next week... and I'm sure gonna need all the help I can get!!

Mind if I JOIN you?!? I'm Faculty Rep at the Basketball Game!!

And the winner is Miss Hester Primm for her heartwarming "Being A Chaperon At The Prom Is A Learning Experience!"

I really enjoy this job, chaperoning the School Prom! It's so...so **EDUCATIONAL**...watching these youngsters...the way they behave...and relate to one another!

Yeah! It's like taking a course at "Masters and Johnson"!!

Congratulations, Miss Primm! I'll bet being Chaperon took you back to **YOUR** School Prom!

Are you kidding?! **MY** School Prom was never like **THAT!** Which is why I'm volunteering to be Chaperon again **NEXT** year! I can't **WAIT!!**

The last category is for Best Performance in "PASSING OR FAILING STUDENTS," and the first nominee is Mr. Al Mulcher for his "It's Not My Fault! They Shouldn't Be In My Class!"

I don't believe these exam papers! Why, half these kids can't even read!! They don't belong in this grade!!

Then why don't you **FLUNK** them!?!?

Are you crazy?!? If I flunk them, they'll be **LEFT BACK**...and I'll have them in my class again **NEXT** year!

The second nominee is Mr. Robert Blinders for his inspired interpretation of "Good Test Scores Depend On The Right Teacher!"

How do you do it, Bob? Your class scored way above the national average!!

It's all in the technique I use when I give an exam! I have a **very special method!**

It's very simple! I look the other way when they **CHEAT!**

What **IS** it, Man?!? What's the **secret** you use for getting such high test scores?

And the winner is Mr. Thomas Spittle for his outstanding work in "God Knows, I've Tried To Give You Kids A Break!"

I just don't understand what happened to you kids! I went over all this material in class! But the **test results** were **terrible!** So to be fair, I've **graded** you on a **CURVE!**

But... that means that **HALF** the class **FLUNKED!**

Don't complain!! If I'd graded you on a straight percentage, the **WHOLE CLASS** would've flunked!

Congratulations, Mr. Spittle... and I think it was **really nice** of you to **grade** on a **curve** and help half your class to pass!

I didn't do it for them! I did it for **ME!** How would it look on my record if my **WHOLE CLASS** flunked an exam?

That's our Academy Awards Show! A wise man once said, "Those who **can**, **DO!** Those who **can't**, **TEACH!** And those who **can't** even **TEACH** become School Principals!" G'night!

With foreign car makers driving their American competitors closer and closer to bankruptcy each year because their products are cheaper and better manufactured, it's rather ridiculous to see Detroit still publishing those cheery New Car Owner's Manuals that make you think you got a bargain on a perfect product, and that any small problem that may arise will be the result of your own misuse or neglect. Not only is this dishonest, but it also leaves buyers of American cars unprepared to cope with the mishaps that probably await them. We think the time has come for Detroit to start leveling with the car buying public by issuing something like...

THE MAD OWNER'S MANUAL FOR A NEW AMERICAN CAR

ARTIST: AL JAFFEE

WRITER: TOM KOCH

LEARNING TO LIVE WITH YOUR DECISION TO BUY THE NEW 1984 FURD MONGOOSE

Congratulations! With your purchase of the new Furd Mongoose, you have joined the dwindling ranks of gutsy motorists who show enough patriotism, enough sense of adventure and enough stupidity to buy an American-built automobile. It is our fervent hope that you will also show enough maturity and emotional balance to remain calm once you discover that the '84 Furd Mongoose is not quite as dependable as the salesman promised it would be before you bought it.

Although you may feel tempted to look upon your new Mongoose as a piece of junk, try to appreciate the fact that this year's model could have turned out even worse than it did. For one thing, most of the cars were assembled while half of our workers were out on strike. And even when all of them were present, many were goofing off, spending their day hanging around the coffee machines.

This, of course, resulted in numerous defective cars rolling off the assembly line with some of their parts missing. Few of these defects were caught by our supervisors because they goof off and hang around the coffee machines even more than our assembly workers. So you can understand how miraculous it is that we've been able to continue building cars at all when good help is so hard to find. And besides, how much quality do you expect for less than \$12,000?

We wish you many years of happy motoring...crawling under the engine, hanging around the repair shop and all the other wonderful things you'll be doing once you start driving your Furd Mongoose. 33

UNDERSTANDING THE QUIRKS OF YOUR NEW CAR'S INSTRUMENTS AND CONTROLS

OPERATING

1. Situate yourself comfortably in the driver's seat, and then close the door securely. If the door fails to latch tightly due to faulty installation or poor manufacture, keep opening it and slamming it hard until it either (A) closes, or (B) fights back by letting the door window shatter or fall out.

2. Before attempting to start the engine, remember to wind and set the instrument panel clock. This enables you to calculate how long it takes the tow truck to arrive, in case the engine fails to start.

3. Pump the accelerator three or four times before turning on the ignition. This may cause the engine to flood... but that's a heck of a lot better than waiting until you get into traffic to discover that the accelerator pedal usually comes unbolted, leaving you with no control over the car's speed.

1. **AIR VENT**—This louver is designed to let fresh air circulate through the passenger compartment. Also, to let bus fumes, pig smells and other outside odors circulate through the passenger compartment. Do not try to close this vent, even during freezing winter weather...because it doesn't!

2. **FUEL GAGE**—Anticipate that the needle will remain stuck on "FULL" until the tank is half empty. Then, when the needle drops to the halfway mark, the tank will be almost empty. So you will never see the needle drop any further than halfway...because by that time, you will already be walking to the nearest gas station.

3. **HEATER CONTROLS**—By sliding the handy levers back and forth, you are able to control the climate inside the passenger compartment. Choices range from cold air blowing on your feet to hot blasts blowing in your face. Experiment with the available settings until you find the one that causes the least amount of suffering.

4. **SPEEDOMETER**—Even though the '84 Furd Mongoose has the same engine as the '83 model, the speedometer has been stepped up to record a maximum of 160 MPH, rather than the previous 90 MPH. This amazing improvement was included to make you feel like you're driving a sports car. (Actually, the Mongoose's top speed again this year is 67 MPH—with a strong tail wind.)

5. **TEMPERATURE GAUGE**—This dial is designed to enhance your driving pleasure in heavy traffic on hot summer days by giving you something to watch as it climbs into the red danger zone.

6. **WINDSHIELD WIPERS CONTROL**—A partial turn to the right activates wipers at half-speed. A full turn is for fast speed. However, either move may cause the wipers to remain off, and the electric windows to go down instead. This is because there are a whole lot of little wires all bunched together under the dash and it's hard for our unskilled workers to get them all connected to each other correctly.

7. **ODOMETER**—This is the gizmo that shows you exactly how far the car has been driven, unless the car has been driven more than 9,999 miles...which you can bet your life this car won't be!...and which is why 9,999 miles is the maximum distance the '84 Furd Mongoose's odometer needs to register.

8. **CIGARETTE LIGHTER KNOB**—Before you push this button, stop to consider that smoking is hazardous to your health. Then, stop to consider that pushing in this button may also be hazardous to your health because the connecting wire is wrapped around the battery cable, and so is the powered radio antenna wire...which could result in the electrocution of anyone who touches it during a thunderstorm.

9. **HEADLIGHT CONTROL BUTTON**—Pull knob out to the first position, and the parking lights will come on. Pull knob out to the second position, and the headlights will come on. Pull knob all the way out...and it will come off in your hand. So look out!

INSTRUCTIONS

4. Turn the ignition key all the way to the right to activate the starter, and start the engine. If the starter fails to respond, you probably have a defective battery. If the starter operates, but the engine fails to catch, you probably have a broken fuel line. If everything works as it should, you probably got into someone else's car.

5. Drive slowly for the first few blocks to bring the engine to a normal operating temperature of 160°. If the operating temperature quickly rises to 212° instead, it may be that your car was assembled on a day when the guy who installs the fan belts was out sick. This is no big problem. Merely take a taxi to the nearest Mongoose dealer, buy a fan belt and return by taxi to install it.

6. Even when you are out on the open highway, NEVER, NEVER, NEVER shift into "Overdrive"! Overdrive is that fuel saving thing we just couldn't get perfected, but decided to install in this year's Mongoose anyway!

MAINTAINING YOUR

Many current foreign cars are so well built that they do not need your help to keep them running indefinitely. You will be delighted to learn that this is not the case with your new Furd-Mongoose. It desperately needs your constant

CHECK OIL LEVEL DAILY

As indicated elsewhere in this manual, the engine parts in your new Mongoose fit loosely because they were put together in haste, which means that oil will leak out the cracks. So use only Furd 90-W Oil to fill the crankcase. Its gummy, sludgelike quality enables our oil to stick to the engine, unlike those cheaper brands that will merely dribble out all over your garage floor.

CHECK OTHER FLUIDS REGULARLY

Sloppy hose fittings make it necessary to check the radiator coolant level in your new Mongoose every 75 miles. It is also recommended that you do what you can to avoid costly repairs by checking the brake fluid every 100 miles, the transmission fluid every 150 miles and the windshield shpritzer fluid every 200 miles. If low, refill only with approved Furd Radiator Coolant, Furd Brake Fluid, Furd Transmission Fluid and Furd Pure Windshield Water.

COLLECT DRIPPAGE FROM GARAGE FLOOR PROMPTLY

The tires on your new Mongoose may rot if the vehicle is left to stand overnight in its own corrosive drippings. To prevent this, place pan under the engine. For best results and continued happy motoring, use only an approved Mongoose Drip Pan.

THE BREAKING-IN PERIOD

During the first 100 miles of your new car's operation, do not drive at speeds above 30 MPH. This will lessen the risk of injury to occupants when parts that were improperly assembled at the factory drop out and are run over by the rear wheels. After the first 100 miles, it would be most wise and prudent not to exceed 30 MPH with this car in any case.

For proper breaking-in, your new Mongoose has been equipped with special light weight break-in oil...unless we forgot to put it in! If such is the case, the dipstick will appear dry when removed. Also, the gaskets will appear black after a few miles of driving, the pistons will appear scorched and, in most cases, the entire engine will appear to be on fire.

After the first 1000 miles, return the car to your Mongoose Dealer where you will receive your Initial Service Inspection. With extraordinary luck, you may also receive a handsome gold trophy for being the first Mongoose owner to drive a full 1000 miles—without having to bring the car back in earlier to have something fixed.

R NEW MONGOOSE

loving care and attention (not to mention a lot of your tips listed in this section, and your '84 Mongoose should hard-earned bucks) to stay alive. Follow the maintenance reward you with dozens of miles of trouble-free driving.

REPLACE BURNED-OUT HEADLAMPS PROMPTLY

Driving with burned-out headlamps is dangerous. However, it is almost as dangerous to try to replace them in your new Mongoose without assistance. That's because the one-piece fender and grill unit was welded after the original lights were installed. As a result, they can only be replaced by a midget who must crawl between the engine and the fender well. (See your Mongoose Dealer for a list of service stations employing midgets.)

KEEP YOUR TIRES PROPERLY INFLATED

For normal driving, maintain tire pressure at 29 lbs. You will soon find that this requires frequent stops for air because the company saved you money by equipping your 1984 Mongoose with leftover tires made for the 1957 DeSoto. The difference in wheel size results in a considerable air loss! However, it should be remembered that this inconvenience is saving you \$28.00.

CHECK WHEEL ALIGNMENT AT FREQUENT INTERVALS

Your Mongoose Dealer will tell you that almost everything that goes wrong with your car will be your fault because you let your wheels get out of alignment. Be ready to challenge this claim by checking your alignment regularly! To do this, remove both hands from the steering wheel at 50 MPH. If the vehicle swerves into a ditch, or careens into oncoming traffic, return it to your Furd Mongoose Dealer at once for professional safety maintenance.

YOUR FURD MONGOOSE WARRANTY

YOUR NEW 1984 FURD MONGOOSE (SERIAL NUMBER _____) IS COVERED BY THIS FULL WARRANTY FOR THE FIRST 6 MONTHS OR 10,000 MILES OF OWNERSHIP, WHICHEVER COMES FIRST. THERE ARE ABSOLUTELY NO CONDITIONS OR EXCLUSIONS OF ANY TYPE...EXCEPT FOR THE CONDITIONS AND EXCLUSIONS LISTED HEREIN, WHICH YOU BETTER READ OR ELSE.

1. Even though "All Parts And Labor Will Be Provided Free While This Warranty Is In Effect", Furd Mongoose Repair Centers may impose a Service Fee equal to 100% of the "standard charge" for parts and labor.
2. Operating this vehicle without having it Winterized whenever the temperature drops below 50°, or having it Summerized whenever the temperature rises above 70°, will invalidate this warranty. Winterizing and Summerizing

must be performed at Owner's expense by a qualified Mongoose Dealer.
3. We'll decide later which Dealers are qualified and which ones aren't.
4. The owner must state the exact nature of the mechanical difficulty when presenting the car for warranty work. Naturally, Dealers must impose the standard labor charge while wasting time hunting for undiagnosed problems. Since most mechanical problems take six hours to find and ten

minutes to fix, you can see where a deal like this leaves you.
5. The company is not responsible for damage to parts caused by dirty spark plugs. The company is also not responsible for discovering that your spark plugs are dirty, even if you installed brand new clean ones the day before.
6. Cars that have been deliberately driven on publicly maintained highways and privately owned driveways are no longer covered by this warranty.

NOTE: YOUR FURD MONGOOSE DEALER RESERVES THE RIGHT TO SERVE PAYING CUSTOMERS FIRST, AND TO DISCLAIM ANY RESPONSIBILITY FOR YOUR WARRANTY EXPIRING BEFORE HE GETS AROUND TO YOU!

Today, the U.N. isn't working, wars are breaking out everywhere, and peace is as elusive as it ever was. The basic differences between the peoples of the world just cannot seem to be resolved. To illustrate this fact, MAD recently did some

IT'S A MAD,

IF THEIR NATION PRODUCED AN ATHLETE WHO COULD RUN A THREE-MINUTE MILE...

...the CZECHS would send him to the Olympics accompanied by fifty bodyguards to make sure he couldn't try to defect to the West.

...the UGANDANS would never find out how fast he could run because nobody has a watch.

...the VIETNAMESE would assign him to pulling the Communist Party Chairman's rickshaw.

...the AMERICANS would never even get to see him in a national track meet because an N.F.L. team would quickly sign him up for a million bucks a year... as a "punt returner."

IF A RECESSION CAUSED ONE-THIRD OF THE NATION'S WORKERS TO BE UNEMPLOYED...

...the EGYPTIANS would hail it as a great step forward, because two-thirds of their nation's workers have been unemployed for years.

...the CANADIANS would cut the rate by encouraging their unemployed to move to Detroit or to Buffalo and be unemployed there instead.

...the CAMBODIANS would shoot everyone without a job as a traitor, then proudly announce that the country had achieved full employment.

...the AMERICANS would put half of their unemployed labor force to work processing the welfare application papers of the other half.

IF THE NATION'S FARMERS PRODUCED A SURPLUS OF WHEAT HARVEST...

...the BRAZILIANS would sell it overseas so wealthy land owners could afford to build bigger mansions while the peasants starved.

...the FRENCH would find a way of making a new and exciting vintage wine out of it.

...the RUSSIANS would stop buying grain from the U.S. after announcing that they'd just discovered Americans are Imperialists.

...the AMERICANS would give it away free to emerging Third World nations so that the poor people all around the U.S. would still have to pay \$1.59 for a lousy box of cereal.

research to determine exactly how we Americans and the peoples of other cultures and nations around the world might react to a series of possible events. And the results... which came as no surprise to us... only goes to prove the old adage:

MAD WORLD!

WRITER: TOM KOCH

IF MORE THAN TWO PEOPLE WERE OBSERVED TOGETHER ON A STREET CORNER...

...the LIBYANS would form a bigger group so they could all chant anti-American slogans.

...the JAPANESE would take their pictures because such gatherings must always be recorded on film to be treasured in years to come.

...the RUSSIANS would hold them for questioning because people who talk to each other may be saying something bad about the State.

...the AMERICANS would conduct a public opinion poll among them to determine what TV shows the entire USA will watch next season.

IF TRAFFIC IN A COUNTRY'S LARGEST CITY BECAME COMPLETELY UNCONTROLLABLE...

...the ITALIANS would remove all the stop lights, and give a medal to every pedestrian and motorist who was still alive a year later.

...the BRAZILIANS would abandon that old city and build a new one, where the traffic would also become completely uncontrollable.

...the MEXICANS would put a lot more old buses and gasping taxis on the streets in an effort to bring traffic to a final standstill.

...the AMERICANS would attack the problem by spending billions to construct a new interstate highway... between Denver and Cheyenne.

IF A WORLD'S FAIR WERE HELD IN A NEUTRAL, DEVELOPING NATION...

...the RUSSIAN exhibit would feature rosy-cheeked peasant dancers who were really secret agents who'd come to start a revolution.

...the NORWEGIAN exhibit would feature Lapland handicrafts such as crocheted earmuffs...which absolutely no one would go to see.

...the SPANISH exhibit would be completed a little behind schedule, and would open two months after the rest of the fair had closed.

...the AMERICAN exhibit would feature "The Fantastic Industrial Computer Of The Future" ...which would blow out every single fuse in the host country the minute it was plugged in.

IF A SMALL GROUP OF PEOPLE DISAGREED WITH GOVERNMENT POLICY...

...the NICARAGUANS would name them "The Popular Front for the Oct. 11th Revolution."

...the IRANIANS would call them American Spies and order them all shot before sundown.

...the RUSSIANS would find them mentally disturbed and send them away for forty years of intense psychiatric treatment in Siberia.

...the AMERICANS would organize them into a committee headed by Jane Fonda or Ed Asner.

IF THEIR NATIONAL TEAM WON THE WORLD SOCCER CUP...

...the ARGENTINIANS would hold a month-long wild celebration, during which the city of Buenos Aires would be totally destroyed.

...the BULGARIANS would put out a special series of 38 commemorative postage stamps.

...the GUATAMALANS would use the victory as a good excuse to go to war with Honduras.

...the AMERICANS would read all about it in a big three-line story on the sports page ...under the "High School Basketball Scores."

IF A TRAIN CAPABLE OF TRAVELING 500 MILES AN HOUR WERE DEVELOPED...

...the ITALIANS would run it from Rome to Istanbul at ten miles an hour because they feel the trip is more romantic at that speed.

...the ISRAELIS would run it from Tel Aviv to Jerusalem in six minutes because they really don't have anywhere else they can run it.

...the RUSSIANS would run it underneath the ground so no one else would know they had it.

...the AMERICANS would assign it to Amtrak, which would derail it, or park it on a siding outside Chattanooga and misplace it forever.

IF A LONG WEEK-END WERE SCHEDULED TO MARK THE NATION'S INDEPENDENCE DAY...

...the AUSTRALIANS would all celebrate by playing endless rugby matches until everyone in the country had at least one fractured arm.

...the RUSSIANS would all celebrate by going down to Red Square to silently watch this year's thrilling "Tractors and Tanks" parade.

...the EAST GERMANS would all celebrate by picnicking in the countryside, and then trying to sneak under the fence to West Germany.

...the AMERICANS would all celebrate by having 987 people killed in highway accidents.

IF ZAMBIAN TROOPS INVADED ZIMBABWE...

...the FRENCH would sell both sides as many guns and planes as they could pay for in cash.

...the BRITISH would announce that Her Majesty's Navy is rushing to the troubled area, and should arrive there in about two months.

...the RUSSIANS would declare their neutrality, and then dispatch the entire Cuban army to the battlefield to create additional chaos.

...the AMERICANS would threaten to boycott the Olympics if they are ever held in Zambia.

IF THE COUNTRY'S LEADER WAS SCHEDULED TO DELIVER A TV ADDRESS AT 8 P.M....

...the CHINESE would all miss it because they'd all be out spying to make sure their neighbors were watching, as required by law.

...the HAITIANS would fear the worst, and 7000 would flee in leaky boats before 8 P.M.

...the ALBANIANS would be confronted with the burning question of the day: What's TV?

...the AMERICANS would give the speech a TV rating of 11.6... which is better than "Father Murphy" but less than "Happy days."

IF A WORLDWIDE PEACE TREATY WERE PROPOSED AT THE U.N....

...the IRANIANS would immediately get up and walk out, claiming that it was sacrilegious for people to stop killing each other.

...the FRENCH would wait to see how their allies voted so they could display their independence by voting the exact opposite way.

...the SYRIANS would agree to it, but only if it contained a provision to abolish Israel.

...the AMERICANS would agree to it, but only if it contained a provision to make Coca-Cola the official beverage of mainland China.

IF A VOLCANO ERUPTED IN A SMALL, DEFENSELESS COUNTRY...

...the FRENCH would help by offering to sell defective truck parts to the starving.

...the CUBANS would assist by sending in a whole new team of espionage agents to replace those that were lost in the disaster.

...the ARGENTINIANS would overrun the place with troops, after announcing that it really belonged to them since 1768 anyway.

...the AMERICANS would immediately ship tons of food, clothing and medical supplies before discovering that no one in the U.S. State Department knows where the country is.

MISS MASH DEPT.

Once upon a time, there was a TV show that everybody loved because it was warm, witty and real. It dealt with the life and death struggles of soldiers in Korea. It was terrific, and it seemed like it would go on forever. But alas (or is it alack?), nothing goes on forever (although this introduction might break that rule). So it ended. Or so we thought. But then, a TV series based on three of the least interesting characters of the original show was pasted together, and the dead was brought back to life. Or was it?!? Take a look... and see if you agree that there is a life...

After MUSH

Ah hah! Now I understand who you are!

Huh??? What do you mean?

You're the cartoonish, pompous, unbelievable "Boss" who always used to be in TV SitComs—like "My Little Margie"—thirty years ago!!

If this show were set in contemporary times, our Veteran's Hospital would be much larger—thanks to President Reagan's policies....!

You mean the hospital would have more Federal funds?

No... more wounded Marines!

How come you hang around the Hospital practically all the time?

With Doctors and Nurses like THEM, prayer is the ONLY HOPE you patients really have!!

I have to pick up Klinker on the way!

I can never understand WHY...!!

Neither can I! Why don't you call a friend and go to a movie tonight?

Good idea! I'll call the friend I spent so much time with while you were away!

What was her name?

Irving!

I am very confused, my Husband! This is not like Korea! I am not used to your ways!

I can certainly understand that, Soon Leave! Our ways must seem FUNNY to you!

That is problem! Your ways do NOT seem funny to me! Not like they did in Korea, in M*A*S*H unit!

Hummmmm!
I don't
remember
seeing
anything
like that
before!!

It's **ONLY** an ingrown toenail!

That may be...! But I've been
doing **combat surgery** for so
long, there's only **one thing**
I can suggest! Go out and get
yourself **SHOT** in the **FOOT**!

What? Why'n'hell
would I do a dumb
thing like that?!

Because **gun-
shot wounds**
I can treat!

**RITE
THE
BULLET**

Mr. Klinker, you really **turn me on!** You remind me
of my **first great love...** whom I **tragically lost!**
He **flew off** one day... and he **never returned...**!

He was a **PILOT**...??

No... he was a **PARROT**!!

Oh! Do you see
what's **going on**
between those
two!? We've got
to get rid of
that man...!!

Why
do you
HATE him
so much,
Alum??

Because he
does **absolutely**
NOTHING
around here!!

Yeah? So...?

That's
YOUR
function!
I **hate**
**DUPLI-
CATION!!**

Boy... they really **NEED**
ME around this place!!

For **WHAT**, may I ask...?

When they run out of **dumb things**
to **say**, they can always fill
those **empty moments** by doing
jokes about the size or my **nose!**

Who are you?

And just what do you do?

In other words,
you're our **oldest**

I'm the color-
ful "**Old Geezer**"
that everybody
always loves!

I **GEEZE**, what else...!
And when I'm not **geezing**,
I'm **dancing...** or doing
other "**Old Folk**" schtick!

You got it,
Sonny!!

**YELLOW

I've seen such
TERRIBLE THINGS!
I've seen **men**
butchering other
men... without
blinking an eye!

You must
try to
forget
about Korea?

Korea?! I'm talking
about in the **OPER-

Son, the Doctors in our Veterans Hospitals are every bit as good as the Doctors in our Civilian Hospitals!

Really?!? Civilians will be thrilled to hear that!!

Should I put him in a straight jacket, Colonel?

Why do they keep calling you "Colonel"?

So when people see Klinker and me in "civvies," they won't think they're watching an old "Love Boat" re-run!

Maybe Father Mulberry can help that poor troubled kid!

I don't know! He has a bad problem himself! He drinks!!

Yes, but only to drown out those DEPRESSING VOICES he hears!

What voices are they?

YOURS and MINE!

I cannot get the memory of all that disgusting, rotting, stinking, mutilated carrion out of my mind...!!

That you once saw in battle?

No... that I just saw in the Hospital kitchen!

Have faith, my Son! Remember that God is watching you!!

Always... ???

Well, maybe not in the FALL! Then, I guess, He watches "MONDAY NIGHT FOOTBALL"... like everybody else!

Today, I experience PREJUDICE for the first time since I have come to America, my Husband! Our neighbors say such cruel and horrible things about other people... just because they look STRANGE!

What did they SAY about you?

Not about me!! About YOU!!

Honorable Husband... I miss my family! Could you bring them here to America, please...?

Let's talk about it next week!

Because problems disappear between weeks on this show! Remember our money worries...? Or Father Mulberry's hearing problem...? Or our conflict about you getting a job...? They were here one week, and gone the next! It's "TV Magic"! So—forget about your family... and let's make love!

Why then??

We do that next week, too! By then, "TV Magic" might also work on headache I have this week!

I'm worried about the Hospital, Milkdud...!

I know how dedicated you are, Dear! But I really hate when you bring your problems home with you!

Hmm!
I see
what
you
mean!

Better get over to
the Hospital right
away, Colonel! That
looney is holding
some people hostage!

Gee...aren't you worried?

Only when I think about it
... which I try not to do!
Hell...something like that
can ruin your whole day!!

Give me the
gun, Son...!
What do you
think you'll
accomplish
by shooting
Father
Mulberry?

I'll be
ridding the
world of a
couple of
dozen
PLATITUDES
each week!

But
shooting
a Priest
is a
SIN
against
GOD!!

Oh,
yeah?
How
about
if I
shoot
HER?!

I don't
know much
theology,
but I can't
see how The
Almighty
could object
to THAT!!

I give up!
help me!!
I can't
control
these
terrible
impulses
I have!!

Then you'll have
to go to some
other Hospital!!

This man is a
PSYCHOTIC!!
How can you
send him away?!

Because his sick-
ness just ISN'T
AMUSING! If you
want to deal with
UNFUNNY sickness,
then apply for a
staff position at
"ST. ELSEWHERE"!

The NERVE of some
people! Can you
imagine a group
of patients who
DEMAND that we
operate on them?!

Well... if
they're Vets,
then they're
entitled to
Medical Care!

Medical Care
is one thing!
These people
want Plastic
Surgery...!!

Hmmmm! That
sounds rather
strange!

I'll go talk
to them...!

It's all right, Alum! I'll authorize
plastic surgery for them all! I have
to agree with them that they need it!

After what we've done to the M*A*S*H name, I don't blame them if they
don't want to be recognized as ever having been associated with the show!!
